# Edificio Ronda 4

The Ronda 4 building, located on the seafront promenade, has garden areas
and community pool.

We have 3 2-bedroom apartments with frontal sea views, one of them located on the second floor, with 85’35m2 built and 67’22m2 useful, and the other two on the ground floor, with 75’60m2 built and 60? 42m2 useful.
All equipped with fitted kitchen, air conditioning and fully renovated water and electricity installations. Living-dining room, 2 independent bedrooms and a front terrace of about 10 m2 facing the sea.

The apartments on the ground floor are not at ground level, there is a height of 1 meter to its beginning, in addition to large planters that keep pedestrians out of the way and provide greater privacy. They have the same characteristics as the apartment on the second floor, plus a strong interior renovation that gives them a modern and completely renovated aesthetic.

Also at your disposal are several 1-bedroom apartments, with 48 m2 built and 40.05 m2 useful, located on the sides of the building. Facing east (morning sun), or west (afternoon sun).
They are distributed in a living-dining room with an integrated and installed kitchen, a separate bedroom

All our apartments for sale have the option to purchase an outdoor parking space of between 11’35m2 and 12’45m2.

Storage rooms available on the interior floor of the building as well as the exterior ground floor.
